

Astria Deuber-Mankowsky, *Lara Croft: Cyber Heroine* (Minneapolis: U of Minn. Press, 2005 translation, updated from 2001 German edition).

SITES

Post Video Art: diverse site with lots of Quicktime movies ranging from one minute to about 12 minutes.

<http://www.post-videoart.com/>

Imprint

<http://artengine.ca/chungyan/imprint/>

Atom Films

Atom films collects just about anything—search for something more experimental (try animation, etc.) DON'T write about run of the mill studenty stuff.

<http://www.atomfilms.com/>

Creamy Orange; Motion Graphics—blends into very commercial work (don't be snotty, these folks make a living doing media work)

<http://www.creamyorange.com/>

Electronic Poetry Center

<http://wings.buffalo.edu/epc/>

Poems that go: type in motion (select several to discuss—see the archive)

<http://www.poemsthatgo.com/>

visual poetry blog

<http://dbqp.blogspot.com/2005/02/words-in-motion.html>

Visual Poetry via Flash animation

<http://www.yhchang.com/>

not a video but audio site but great starting point for audio
